VrienDD
ALTijd IN DE BUURT

Welkom bij vrienDD!

Een goede vriend heb je het liefst dicht in de buurt. En dat zij wij dan ook letterlijk en figuurlijk.

We leveren slimme totaaloplossingen zodat kinderen lekker en veilig binnen- en buiten kunnen spelen.

vrienDD analyseert, ontwerpt en richt de buiten- en binnenruimte in en is zeer goed in staat om na oplevering deze ook te onderhouden, te beheren en te laten inspecteren. Kortom, van speelplek tot sportplek, van recreëren tot werken, van midgetgolf tot multisport, van erfafscheiding tot de groenvoorziening, van fietsparkeren tot overkappingen en van straatmeubilair tot fitness.

Experts in modular play solutions

We have an extensive range of playground equipment, from solo products to the modular-based play systems, that all children can enjoy regardless of their environment. With numerous themes, colours and materials on offer, our high-quality play products will fit into any surrounding.

UniMini

A comprehensive series of play equipment with heights and modular play components adapted for children under six. Young children are fascinated and stimulated by simple 'discoveries' that older children find routine. The UniMini system offers endless design options with a large assortment of components and play functions that can be combined to meet your needs. What's more, the use of high quality materials ensures longevity and minimal maintenance costs.

UniPlay

UniPlay is a fantastic source of inspiration for physical and mental activity. Playgrounds that attract children and encourage them to watch, touch and explore will spark their interest and understanding of shapes, colours and beauty. Their bodies will grow stronger, their senses will be challenged, and their social skills will develop. UniPlay is perhaps the most customisable play system on the market with endless theming options. You can build high, long, low, down slopes, over hills and is packed with play functions. Let us show you the possibilities with UNIPLAY!

Inspiring YOUNG Minds

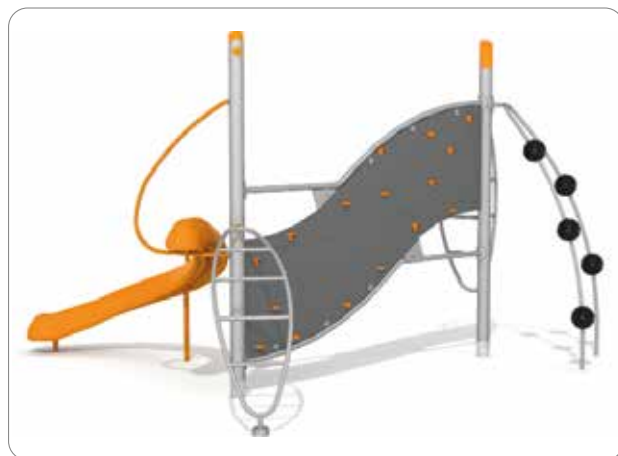

Agito

Inspires young minds to the imaginative play opportunities it represents. The intriguing design and vibrant colours encourages physical active play that helps develop strength and coordination. Agito also gives scope for comfortably socialising with friends in the Origo net. If you want Agito to really stand out, choose our Agito Aura range; equipped with coloured LED lights that light up at dusk and create an ambiance during dark hours, increasing the time the equipment can be used.

TAKING
you on an
Adventure

NRG

The stylish NRG product family is a trail system designed to be eye-catching, fun and robust. This trail system encourages children to challenge themselves in order to improve stretching, climbing, balancing and traversing. It helps improve their coordination, upper and lower body strength, as well as strengthening their core stability. Its distinctive steel curved arches and posts make an impressive centrepiece, which attracts children to exercise while having fun and letting their imagination take them on an adventure. The NRG range can be configured to individual circumstances around space and budget.

Geometry is a
universal language.
SO IS PLAY

PlayCubes®

PlayCubes® offer rich physical, social and cognitive play value. Distinct geometric shapes invite exploration and climbing that's accessible, with graduated levels of challenge. The unique components on this range offer even more play value for children, from sliding and hanging to bouncing and resting; making PlayCubes® the perfect attraction in any playground. PlayCubes® are ideal for any site layout and any budget because of its countless configuration options and colours.

A photograph of four children swinging happily on a wooden swing set in a lush green park. The children are of various ages and are all smiling. The swing set is made of wood and has black ropes. The background is filled with green trees and foliage. The ground is covered with brown leaves and dirt.

INSPIRING

sustainable &

CREATIVE PLAY

SMART ROBINIA® Nature Play

With their organic shapes and earthy hues, these playground products provide exciting challenges for all ages, plus its nature-inspired design will complement any green space. They are great at encouraging exercise through play and helping children to assess risk in a natural setting. The equipment is primarily manufactured from FSC® certified SMART ROBINIA® - 100% solid core wood; which is strong, durable and resistant to rot. With SMART ROBINIA®, parts, ropes and fittings can easily be installed or replaced, lowering long-term costs.

15-YEAR WARRANTY: against degradation caused by rot and fungi on the SMART ROBINIA® wood.

Traditional & Dynamic Play

HAGS Solo products are the result of our most inspiring moments – independent products that work perfectly with our other ranges of play equipment. We offer an impressive range of independent play products which include: swings, spring toys, see-saws, roundabouts, slides, balancing equipment, cableways and climbing equipment – true playground classics. Whether standing individually or together with other items, they offer tremendous scope for creating a unique world of play in your play area that children find simply irresistible.
